EXCHANGE STUDENTS TO VISIT AREA

The Marion Chapter of the American Field Service is seeking host homes in town for 17 foreign high school students who will form part of the group touring the eastern section of the United States after completing their school year in this country.

Thirty-five students with two chaperones will arrive in Wareham the afternoon of June 30th and will leave on July 2nd. It is desired that host homes be those having young people of high school age. Marion will cooperate with the Wareham Chapter in housing and entertaining these visitors.

Tentative plans for their entertainment include a visit to the Edaville Cranberry Bog, Plymouth and the Mayflower, the Piney Point Beach Club with a chicken barbecue to follow at the V.F.W. Pavilion at Cushing Post, Route 6.

Friday, the day of arrival, will be family night giving the students an opportunity to get acquainted with the host family and perhaps get a look at the town.

Any family interested in enjoying a visit with these young people are asked to call Miss Lovicy Delano, Tel. Marion 179W, Sumner Brown, 796 or the chairman, Otis C. Severance, 891, for full details.

MUSICAL PROGRAM AT P-TA

A small but appreciative audience was entertained by musical selections sung by the Assawompsett Choir at the meeting of the Rochester Parent-Teachers Association held at the school.

The choir composed of musically talented children in Grades 3 to 6 were superb in their renditions of selections under the direction of Miss Barbara Trombley, director of music at Assowompsett School. Their appearance was highlighted with the wearing of moss green choir robes.

Numbers sung by the choir were "Dreamers Holiday","Swing Low Sweet Chariot", "Nobody Knows the Trouble I Have Seen", "Go Tell It on the Mountian" and "High Hopes". Miss Trombley, in speaking to the audience, explained because conversational French was a subject taken by many of the members of the choir the next number would be sung in French. In true French style the Assowmpsett Choir presented "La Plume De MaTante", "Let's Take an Old Fashioned Walk" and "De-o-Doro".

Children love to sing, explained Miss Trombley, and the next three numbers were popular musical selections with the program concluding with two songs of a serious nature.

"Inch Worm", "Anywhere I Wander", "The Ugly Duckling" and "Wonderful Copenhagen", all were rendered in an excellent manner.

On the serious side was the excellent inter-

Irving Waitz, principal at Assowompsett School, speaking briefly, noted the choir was "on tour" this week with engagements at area schools. Continuing he said all the pupils in the choir were A and B students and spent an hour every week in rehearsal.

Gilbert D. Bristol, Jr., superintendent of schools, Union 55, guest speaker, gave a progress report on Old Rochester Regional High School scheduled for opening in the Fall. Mr. Bristol mentioned pupils will be grouped by ability but this will be flexible so a pupil can be transferred from one group to another.

The guest speaker gave an outline of the subjects and programs to be offered and the long range goal. Staffing of the school was underway now said Mr. Bristol with the regional committee attempting to staff the school with top caliber teachers and department heads.

Colored slides of the regional school were shown by Alan B. Lindsay with Mr. Bristol giving the commentary. Also present was Walter E. Bowman, principal of the newly constructed junior-senior high school.

Mrs. Urho Wainio, chairman of the nominating committee, presented the following slate of officers for the 1961-62 P-TA season: Mrs. Harry A. HERE'S WHAT YOU GET FOR YOUR MONEY WHEN WE DO A
MOTOR TUNE UP

Every part in your car has undergone a strain in winter driving conditions. When we tune up your car, we inspect all points that may be worn or out of order with the object of saving you costly delay and repair on the road. We want to catch minor trouble before it develops into major trouble. Your motor tune up includes a check of your entire electrical system, motor compression, battery, starter, wiring, spark plugs, brakes, exhaust system, tires, light switches, and yes, even your door latches.

A thorough tune up, as we do it, results in a safe car, running economically, ready for summer turnpike driving. It takes time to do a good job and it is most important that a good job be done. It will add to the life of your car and save your time, your money and perhaps even your life. Your car needs a tune up right now. See us for a systematic, complete, safety tune up.

Select the merchandise you want from new and exciting items. Total it up. Before paying you will be permitted to choose a balloon floating on the ceiling, (there will be hundreds of them) on top of each balloon you will find the discount you will receive. Deduct this percentage from your total bill — and that's all you pay!

For instance: If your total purchase amounts to $10.00 and you pick a balloon allowing 50% off — you pay $10.00 minus $5.00 or, a final sum of $5.00!
